

TOKEN

The World's Highest Token

Token is a token for all the tokers, blazers, puffers, smokers, and jokers out there who love sparking it up.

It's high time for a meme coin to represent the hundreds of millions of cannabis connoisseurs worldwide.

No taxes. No team tokens. Contract verified. Contract audited. Liquidity locked for 420 years. Let's show the world the meme power of sticky leaf lovers everywhere.

DISCLAIMER

Token, including but not limited to the overall project, token, website, smart contracts and any apps ("TOKEN") as presented in this conceptual paper is not a licensed, unlicensed or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this Green Paper, on the Website or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. TOKEN is a community-driven project and does not have owners, shareholders, promoters, marketers, managers, directors, or other figures or entities exerting any form of governance. The TOKEN smart contracts are open-source and permanent. The TOKEN token is strictly a utility token in all jurisdictions and is not and cannot be considered to be a "security" or otherwise regulated token of any kind. TOKEN is not in any way e-money and/or fiat money, or an asset backed stablecoin, whether global or limited in scope. This Green Paper taken by itself is not a contract or a contractual agreement of any kind, nor is it an invitation, solicitation or offer to invest in TOKEN or acquire or use TOKEN tokens in any way and with any expectation of profit therefrom. Any user of TOKEN represents and warrants that such user has received appropriate technical, administrative, regulatory and legal advice before and after accessing and/or reading this Green Paper or the Website, and/or using any portion or element of TOKEN (including the TOKEN token). The user hereby acknowledges and accepts that there is an inherent high risk in accessing, acquiring or using any kind of blockchain and/or cryptocurrency system, token, platform, software or interface, including TOKEN, and further disavows any claim of any kind against any community member directly or indirectly involved with TOKEN, for any damage suffered, including total loss. TOKEN may provide a credit card interface available on its website solely for the users' convenience.

TOKEN

For the Culture

Cannabis culture is as diverse as the strains of weed found in shops, dispensaries, and dorm rooms the world over.

Above all, Token exists **for the culture.**

Just as there is no centralized owners of weed culture, Token is a purely community-driven project.

YOU define the destiny of Token, so make it a dope one.

Welcome to the Dank Side. The crypto world is about to get lit.
